Revenue by Year and Cash Flow from Operations

Digitalization Solutions

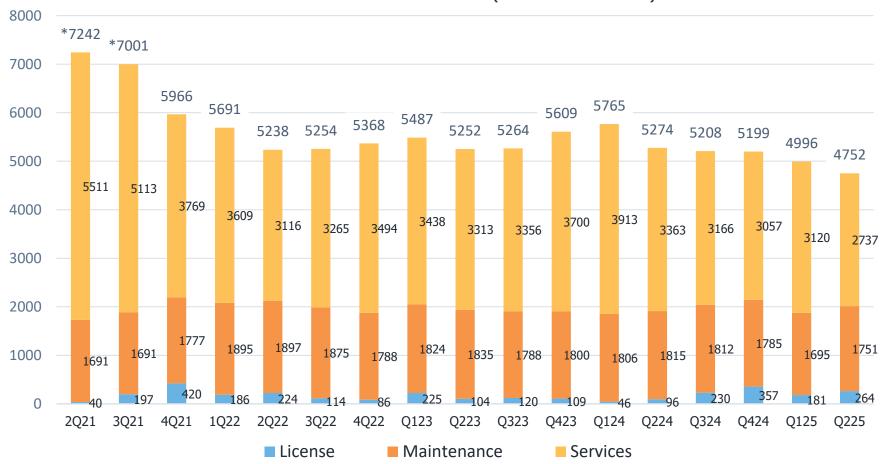

Revenue by Region

Quarterly Revenue Trend

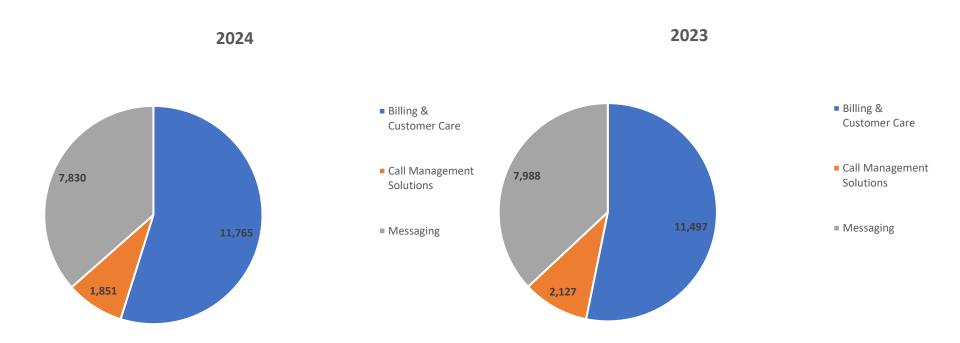

^{*}As described in our Q4'19 Press Release (published on 11.3.2020), Q2'19 and Q3'19 Revenues and Cost of sales amounts has been adjusted by \$310K and \$347K respectively due to the mobile payments line of business revenue recognition on a "net basis" instead of a "gross basis", with no impact on the gross profit, operating income and cashflows, that remain unchanged from the preliminary Q2 and Q3 amounts announced in 2019.
